AFFIDAVIT IN SUPPORT OF SEARCH WARRANT

I, KAREN O'NEILL, HAVING BEEN DULY SWORN, DEPOSE AND STATE: I am a United States Postal Inspector, having been so employed since March 2003. I am presently assigned to the Cincinnati Field Office, Pittsburgh Division of the Postal Inspection Service with investigative responsibility for Southwest Ohio, Northern Kentucky, and Southeast Indiana. Part of my investigative responsibility involves the use of the United States Mail in the transporting of narcotics and other dangerous controlled substances and financial proceeds relating thereto.

Your affiant has become aware that drug traffickers frequently use Express Mail, a business-oriented overnight service offered by the United States Postal Service, to transport narcotics and other dangerous controlled substances, and their proceeds or instrumentalities from the sale of the controlled substances. Your affiant has also become aware that drug traffickers frequently use Priority Mail with delivery confirmation, a 2-3 day service offered by the United States Postal Service. As a result of investigations and successful controlled substance prosecutions where the Mail was used, your affiant has learned of certain characteristics indicative of other Mail items previously identified as containing narcotics or other dangerous controlled substances, their proceeds or instrumentalities from the sale of the controlled substances. Some of these characteristics include, but are not necessarily limited to or used on every occasion, the mailer using different post offices on the same day to send parcels, false or non-existent return address, addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanating from the package, and the listed address is located in an area of known or suspected drug activity.

On November 21, 2013, your affiant was contacted by a supervisor at Groesbeck Post Office, Cincinnati, Ohio regarding Express Mail parcel label number EG553787455US addressed to Valued Customer, 6264 Collegevue Place, Cincinnati, OH 45224 with a return address of OFarrel Music, 608 OFarrell St, San Francisco, CA 94109. The parcel is coming from northern California, a known drug source area.

Your affiant knows of at least four Express Mail parcels that have been delivered to Valued Customer, 6262 Collegevue Place and 6264 Collegevue Place, Cincinnati, Ohio 45224 since October 12, 2013. Those parcels were addressed from 608 OFarrell St, San Francisco, CA 94109 using various names and business names.

Your affiant knows that the mail carrier for 6264 Collegevue Place, Cincinnati, Ohio 45224 could not provide a name for the person or persons that receive mail at the address.

On November 21, 2013, your affiant obtained Express Mail parcel label number EG553787455US. The handwriting on the Express Mail parcel label is pictorially similar to the other Express Mail parcel labels.

On November 21, 2013, your affiant did a check in Accurint on the return address 608 OFarrell St, San Francisco, CA 94109. Accurint is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to Accurint, "OFarrel Music" is not associated with 608 OFarrell St, San Francisco, CA 94109.

On November 21, 2013, the Cincinnati Police Department Narcotics Unit was contacted to arrange for a narcotic canine to check the parcel. Officer Phil Stoup responded to the Cincinnati Postal Inspection Service office, Cincinnati, Ohio where the parcel was placed in a controlled area and presented to narcotic canine, "Max". "Max" alerted positively to the presence or odor of a controlled substance or their proceeds or instrumentalities upon Express Mail parcel label number EG553787455US addressed to Valued Customer, 6264 Collegevue Place, Cincinnati, OH 45224. Attached herewith, and made part hereof by reference, is a photocopy of the narcotic canine handler's record of examination.

The parcel is further identified as follows: a U.S. Postal Service Ready Post Bubble Mailer approximately 10" x 14" in size, bearing Express Mail parcel label number EG553787455US, weighing 10 ounces, postmarked November 20, 2013; see address information below:

Sender: OFarrel Music
608 OFarrell St
San Francisco, CA 94109

Addressee: Valued Customer
6264 Collegevue Place
Cincinnati, OH 45224

This information, along with the positive alert of narcotic canine "Max" is indicative of a drug package or its proceeds.

Based on the information contained herein, your affiant believes that contained in Express Mail parcel label number EG553787455US is a quantity of a narcotic or other dangerous controlled substance, their proceeds or instrumentalities.

Therefore, a search warrant to open the parcel is requested.

Further, your affiant sayeth naught.
